in Objo. Mr. Shafer, who now lives

A general strike of railway clerks on the Atlantic division of the Southern Pacific, embracing all of that in las Vegas, expects after his out-company's business from New Orle-ans to El Paso, inclusive, went into effect Saturday morning, says the El Paso News.

It is estimated that the men on Last night he returned from La Junstrike will number several hundred, and if the strike is as general as reported will result to a tle-up of the months. office work of the Southern Pacific to such an extent that the running of to such an extent that the running of all trains will be seriously affected, and it may be that the freight busi-ness may be brought to a standstill ness may be brought to a standstill

some time. So far the strike is confined to the After spending a few days here Di-vision Superintendent John Stein of the Farvey system returned to his ed that it is liable to spread to all the clerks in the employ of the company. It is understood that the strike was brought about by the refusal of the tem arrived at the Alvarado last railroad company to grant recognition night after a western trip. to the Brotherhood of Railway Clerks. It is also said that besides the contention on the part of the clerks to have their union recognized by the railroad officials there are several other grievances of more or less im-

There are employed in the various freight offices and yards of the South- THE EXTENSIVE CATTLE RAISER ern Pacific at El Paso about thirty-five men, all of whom are out on

Trouble along this line has been brewing for quite a while, but there were hopes that the matter could be arranged without a strike. In fact, up to yesterday it was believed by many who were familiar with the negotiations which were being conducted that a rupture might be averted; but the railway officials stood firm in their refusal to recognize the clerks' organization, so an order was given for a general walk-out.

City Freight Agent Porter of the ruptcy case fixing the time for the appearance and answer of the defendant statement to a representative of the on November 12. News regarding the cierks in his division who walked out this morning:

"All that the officials of the G. H. mer's New Mexico, Arizona and Mex-

know is that at 10 a. m. today some ico property is said to be about \$200, of the clerks in this office and in 000. The Phoenix ranch at Watrous, Master Mechanic D. W. Fitzgerald's one of the finest in the territory, was office tendered a letter to their re-recently assigned to the San Miguel spective employers advising that they bank. The bank has a mortgage on must quit work instanter. They gave the property and so has H. M. Porter no reason for their action other than of Denver. J. S. Raynolds is said to ey had been ordered to do so.

"All of the vacant positions are be-amounting to upwards of \$50,000 they had been ordered to do so.

ing filled rapidly and by next Monday it is thought that every desk will be filled by competent men who are wiring from every direction for employment. Some of the clerks who at first went out have refurred to work. first went out have returned to work, cured. explaining that at first they did not understand the proposition. It is also are the attorneys for the petitioning understood that this trouble has to creditors, while the San Miguel bank some degree affected Houston, New is represented by Wm. G. Haydon. Orleans and Galveston, although a telegram from the latter place just received by G. H. officials advises that yesterday agitators tried to in-

to a News reporter that the strike was the outcome of a meeting of the clerks' board of adjustment, which met at Houston some time last month to make an adjustment in the working hours. A telegraphic communication arrived this morning and It is said to be followed by a letter of explanation which has not yet been received by the local clerks.

Superintendent W. K. Etter of the Rio Grande division passed through the city last night en route to his headquarters at San Marcial from Topeka, Kas, where he attended a time card meeting of the officials of western grand division of the Santa Fe. The purpose of the meet ing was to arrange the winter sched-The purpose was evidently accomplished but the changes will not be made public until the official card It is stated upon good affthority, however, that the card will show the trains running the same as last winter. Just when the winter schedule will go into effect is also kept a secret by the officials.

The Flagstaff Sun says: W. D. Fin-ney and family have returned. They have been touring the northern and eastern states the past two months, visiting all the larger cities, including a two weeks' visit in New York and Brooklyn. Mr. Finney has re-sumed his duties as Grand Canyon disputcher at the Williams depot.

In the office of Territorial Secretary J. W. Raynolds a blue print has been filed by the Atchison, Topeko & Santa Fe Railway company showing the additional land necessary for yard and side track purposes at Albuquerque. The man hears the sig-nature of E. P. Ripley president, and W. B. Sterey, Jr., chief engineer.

The new hotel at Ash Fork, still in process of erection, has received its name directly from President Ripley. to whom it was referred by those having charge of its construction.

STOP! LISTEN! ARIZONA TALKS "TAWM) **ROT" SAYS NEW MEXCO**

GOV. HERBERT HAGERMAN SAYS HIS TERRITORY WILL GO FOR JOINT STATEHOOD AND AN-SWERS CHARGES - TERRITORY FULL OF WEALTH.

(By Gilson Gardner.)

Special Correspondence. Sanata Fe, N. M., Oct. 15 .- "Oh,

hat's all tawmey rot. The governor of New Mexico was replying to the charges of Arizona, conching several things bearing on the issue of joint statehood for these

vo territories. The governor of New Mexico is a "Escalante" is the name chosen by Mr. Ripley, after the Spanish priest who crossed the Colorado river in oung man, long, thin and deliberate n his manner. He wears nose glasses and seems trying always to be

TOPICS DISCUSSED-REGULAR MEETINGS DECIDED UPON AS PERMANENT FEATURE OF THE ASSOCIATION.

The Bernalillo County Teachers' association held its first session in the school building six months from last school house in Old Albuquerque on Saturday. Saturday. The meeting was a success in every particular, so much enthusiasm resulting from it among county instructors that the association has decided upon the holding of regular meetings hereafter.

There were thirty teachers presen when Professor Rupert F. Asplund of the University of New Mexico called the meeting to order, and announced telegram from the latter place just received by G. H. officials advises that yesterday agitators tried to induce certain members of a clerks' association to go on a strike, but that the clerks, realizing that they had no grievance, immediately wired their withdrawal from the said association."

It is said by local officials of the G. H. & S. A. that the trouble will be of short duration, as clerks are plentiful and anxious for work.

A representative of the local Brotherhood of Railway Clerks stated.
